ISO CERTIFICATION: 9001:2015 N° CA-1.092. ACCREDITED LABORATORY N° 046/ GA/ SA680A

## PRODUCT

### NITRATE METER

## DESCRIPTION

Portable **nitrate** meter with digital display. Especially designed for saltwater use. Suitable for shellfish purification stations, hatcheries, nurseries, farms and other Aquaculture facilities. Double measurement scales result in high resolution (1 ppm) and accuracy, for measurements from 1 to 10 ppm and from 10 to 100 ppm. The meter automatically selects the correct measuring scale depending on nitrate concentration in the sample. Delivered with probe, cable, calibration solutions and 9-V battery.

## TECHNICAL PROFILE

Ideal for the monitoring of organic pollution, filtration systems, optimization of biological filters, algae production systems, etc. Values above 50 ppm are toxic to most aquatic organisms. Acceptable values in range 0 to 10 ppm.

## REFERENCE PRICE\*

285 €

\*Quotations exclude taxes and delivery costs

## ADDITIONAL INFORMATION

Meters are delivered fully calibrated and with a 24-month guarantee. Please contact our Commercial Office at [ventas@acuinuga.com](mailto:ventas@acuinuga.com) for further information.
